We will only use personal information provided in a verifiable consumer request to verify the requestor's identity or authority to make the request.

We endeavor to respond to a verifiable consumer request within 45 days of its receipt. If we require more time (up to 90 days), we will inform you of the reason and extension period in writing. If you do not have an account with us, we will deliver our written response by mail or electronically, at your option. Any disclosures we provide will only cover the 12-month period preceding the verifiable consumer request's receipt.
